Dear Mr. Foster:

Re: Permit No. 35-7572

Enclosed is the statement of beneficial use postcard which you submitted in December.

After reviewing it, I find that you did not supply the number of acres being irrigated. Also, as a condition of your permit, a measuring device or access port is necessary for a measurement to be taken at the time the field examination is scheduled. Do you have an access port or measuring device? If so, please indicate this information on the postcard also.

Please note that the statement of beneficial use postcard must be returned by February 1, 1981 to keep your permit in good standing.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,
