SUBJECT PERMIT NO. 35-7519

Upon completion of the processing of the above permit, I found that page 2 did not reflect the same place of use as the map in Item 11. Page 2 only lists T. 4S, R. 31E; whereas, the map lists both T. 4S, R. 31E and 32E. I know this was not advertised this way. Is there anything that should be done??? I have marked our records accordingly.
