Dear Wateruser:

The enclosed Order changes the measuring device condition of approval on your water right permit.

The changed condition is less restrictive and provides you the option to install an access port or have your system measured and certified by a professional engineer. Instructions for access port installation are also enclosed.

Mutual Life Insurance Co. of New York
C/o Western Farm Management Co.
P. O. Box 320
Reno, Nevada 89504

Dear Sirs:

We have received an assignment of permit and a power of attorney from Daniel T. Polatis. We have entered the assignment into our records of Permits No. 35-7166 and 35-7306, but since Mr. Polatis jointly holds Permit No. 35-7503 with Arnold J. Goodlife, Mr. Polatis alone cannot assign this permit. We are enclosing copies of all three permits for your use.

Since Mr. Polatis no longer holds any interest in Permits No. 35-7166 and 35-7306 we are not including in these files the power of attorney he sent to us. Mr. Polatis still does jointly hold Permit No. 35-7503 and we will include in that file the power of attorney naming you as attorney.

If you have any questions please contact us.

Sincerely,

Bill MacAllister
