Dear Mr. Sauer:

We acknowledge receipt of the affidavits submitted as proofs of beneficial use for the above referenced permits.

Before licenses can be issued, field examinations must be made by a representative of this Department. We cannot tell during which part of the irrigation season these exams will be made, but our examiner will try to contact you at the time he makes the exams so that you may show him the systems.

We are returning the assignment submitted to us for Permit No. 35-7423 since on November 30, 1976, this permit was assigned from L.B. Holden Farm Co., Inc. to Neal W. Sauer and Sons and so now this permit is already in your name.

If you have any questions regarding the field exams, please contact our Regional Office in Idaho Falls.
