Dear Mr. Furchner:

The application for permit filed by you for Two Rivers Land and Livestock Co. has been forwarded to this office for processing. We are returning the application and check No. 92-63 in the amount of \$35, as there are several changes that need to be made before processing can be commenced.

1. It is indicated on the application that the water is proposed to be used from April 1 to December 1 for the irrigation of 200 acres. However, for this area, we usually consider April 1 to November 1 to be the irrigation season. Unless you can provide us with written justification for the longer season requested, we will reduce the season to that suggested by us.
2. The application is signed as L. V. Robinson. In order to correspond with Item 1, the application should be signed "Lewis V. Robinson".
3. The fee for 4.0 c.f.s. is \$55.

If you will make the above corrections and return the application with the proper filing fee of \$55, we will be happy to continue processing. We are enclosing a blank application form with instructions for your use in case you care to refile.
