MEMO

To: Files - Permit No. 35-7170

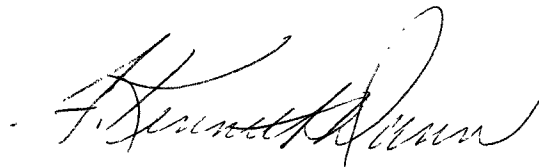

From: A. Kenneth Dunn

Subject: Well Drilled by Unlicensed Well Driller

Date: May 5, 1971

I spoke to Mr. Albert T. Wadda of Pingree, Idaho, by telephone on May 5, 1971, concerning a well which was drilled for him for irrigation of land covered in the above-mentioned permit. This telephone conversation was witnessed by James Booker of the Department of Water Administration. Mr. Wadda was told that Mr. Booker was on the line.

Mr. Wadda said that the well for a permit had been completed on April 24, 1971 and that the driller was Richard Webb. Mr. Wadda said he had personally seen Mr. Webb drill the well but was unaware at the time that Mr. Webb was an unlicensed well driller. I asked Mr. Wadda if he would testify to this fact and he said he would rather not because the Webb family had been a friend of his family's for several years and that the Webb's lived in the general area of his home. I informed Mr. Wadda that should he elect not to offer voluntary testimony, that the department, in filing charges against Mr. Webb, could subpoena him to answer questions concerning this well.
