Dear Mr. Feld:

We are in receipt of your affidavits submitted as proof of beneficial use for the above referenced permits. However, in reviewing the affidavits, it appears that you have failed to install the measuring devices as required by the conditions of approval of your permits and by Section 42-701 of the Idaho Code.

We cannot accept your proof affidavits and issue licenses unless you have installed measuring devices of a type approved by the Department. We will hold your affidavits until you can supply us with information as to the type of devices installed. You should be aware that failure to install the devices and supply information as to the type of devices installed, may result in the loss of your permits. We will withhold action regarding Permit Nos. 35-7158 and 35-7159 until July 2, 1971.

We are enclosing a list of the types of devices approved by this office. If you have any questions, please contact us.

Gentlemen:

Enclosed you will find two legal notices which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit to us galley proofs for our review before publication.

After sending us galley proofs, proceed with the publication on the dates we have inserted assuming the notices are correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notices on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department for each notice along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Donald W. McEldowney
Appropriation Supervisor
