REMARKS:

System shown & described by Porter Hayland's son. At present 1800 Rge cattle are being kept in the feedlot. I am convinced that it has a capacity in excess of 4,000 hd of rge cattle. There are 8 domestic units hooked up to this well.

Gentlemen:

One of the conditions of approval of your water Permit No. 35-7137 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before May 1, 1976. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Permits #35-7137, 35-7138, 35-7139,
35-7140, 35-7141, and 35-7142.

Dear Mr. Higginson:

On behalf of Houghland Farms, Inc., and in response to your certified letter of February 29, 1975, request is hereby made for an extension of time within which to submit the proof of application of water to beneficial use for the above referenced permits.

This request is made on the basis that proper measuring devices have not yet been installed, but that the same are ordered and that we expect that they will be installed later this spring. However, we doubt that the irrigation system will be in full operation by May 1, 1975, and therefore we would request an extension of approximately 90 days.

It is our understanding that the request of a 90 day extension will have the effect of delaying the priority date the same number of days that the May 1, 1975 deadline is exceeded.

Your acknowledgement of our request to both Houghland Farms, Inc. and myself will be greatly appreciated.

Very truly yours,

FURCHNER, MARTSCH & BAKER
