RE: Claim to a Water Right

Dear Mr. Schritter:

The Department is in receipt of your claim to a water right submitted June 28, 1985. Enclosed is a typed copy of the claim which you submitted. Please note there is one minor change and one addition to the claim which you should consider before having the form notarized and sent back to this office. The first is in part 2: source and tributary. The tributary of Snake River has been removed from this form; groundwater is usually not considered tributary to a surface water source. Also part 4 of your original claim neglected to specify the total quantity used which is also 0.5 cfs as is described in part 3. These are minor changes which will assist us in processing the claim. All of the other information on the claim is as was originally submitted on your copy. Please consider this enclosed copy and if you feel it is in proper order, sign it in the presence of a notary and return to this office as soon as possible.

Thank you.

Sincerely,

STEVE McCORMICK
