Re: Permit No. H-28301

Dear Mr. Carter:

I have your letter of December 1959 by Mrs. Edna P. Rutledge returning Permit No. H-28301 giving me permission to drill a well in Bonneville County and directing my "attention to the limitations and conditions as given on the fourth page of order approval". This gives some limitations as to completion dates.

The well was completed early last spring and has been used for irrigation this summer. On rereading the permit and letter it is obvious I should do something else regarding it but I am not sure what. Would you please advise me as to what I should do to complete this permit.

Thanks.
