Dear Mr. Watts:

Mr. Douglas Driscoll has asked me to answer your inquiry of May 8, 1967. The well log filed by Ivan Bortz refers to Mr. Driscoll's Permit No. G-33195.

Please also refer to your letter of April 3, 1967 concerning this permit. Apparently Mr. Driscoll gave me the wrong Township and it will be necessary to go through the advertising and final proof procedures again. By a copy of this letter, I am again asking Mr. Driscoll to advise me if the correct Township is 6 South rather than 6 North.

Dear Mr. Anderson:

It has come to our attention at this late date that a discrepancy exists in permit G-33195 filed by you for Mr. Douglas Driscoll. The application for permit stated that the land and the well were to be in Sec. 34, T. 6 N, R. 30 E, Bingham County; the depositions state the same. The inconsistency is that either the land is in Butte County or the township should be 6 S instead of 6 N. If the land is actually in T. 6 S the permit will have to be amended and the advertising and proof procedures repeated. Please advise us of the situation at your earliest convenience so that the proper arrangements can be made.

Very truly yours,

Donald J. Watts
