Dear Mr. Sauer:

We acknowledge receipt of the affidavit of publication submitted in connection with the above referenced permit.

There seems to be some confusion on your part as to the required proof of beneficial use. On August 15, 1966, permit no. G-33081/35-2840 was approved subject to the condition that the whole of the work be completed and proof of beneficial use of the water be submitted on or before August 15, 1971. We are enclosing an affidavit form for your use in this matter.

If you have any further questions, please feel free to contact us.

Dear Mr. Sauer:

As of this date we have not yet received the affidavit of publication to be submitted in connection with the above referenced permit. Proof of beneficial use is not required until August 15, 1971; however, many newspapers do not keep copies of these advertisements in their files. We, therefore, recommend that you obtain this affidavit from the Idaho Falls Post Register, Idaho Falls, Idaho and submit it to the Department as soon as possible. This insures that when you are ready to submit proof of beneficial use there will be no unnecessary delay or added expense.

Re: Permit No. G-33081 (new no. 35-2840)

**Mr. Neal Sauer
Oakland Valley Road
Idaho Falls, Idaho**

Dear Mr. Sauer:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department; previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply them upon request at any time.

Very truly yours,

Appropriation Supervisor**
