Dear Dr. Packer:

We acknowledge receipt of your proofs of completion of works and application of water to beneficial use. The proofs are in order with the exception of Question 6-a. You indicate that this does not apply to this permit. However, this is a well permit, which is groundwater.

State law requires that the driller must file logs on all wells he drills within 30 days after completion of the wells. See the enclosed copy of the statutes.

We do not have a log on this well. Will you kindly furnish us with the name and address of the driller so that we may contact him for it?

Very truly yours,

Dear Mr. Stout:

Enclosed is copy of Permit No. G-32407 you requested
by letter dated Sept. 8th.

Mr. St. Clair paid the fees for the permit and requested
that the permit be mailed to him June 25, 1965, as he was processing

Probably the permit is with the loan papers.

There is a fee of \$1.50 for the copy which you may
remit to this office.
