Gentlemen:

You will find enclosed your Application for Extension of Time of Beneficial Use Proof, which was submitted to this office on February 9 of this year.

In discussing the matter with Ray Rigby, we have concluded that it would not be necessary for you to receive such extension since proof has already been submitted. The only requirement for you yet to satisfy is that of supplying us with an affidavit of publication from the Post-Register, Idaho Falls, Idaho, certifying that notice of your Permit was published on February 19 and 26, 1970. As long as that affidavit is submitted within a reasonable time after February 26th, you will maintain your priority of January 14, 1965, and it would not be necessary to receive an extension of time.

If you have any questions, please feel free to contact me.

Gentlemen:

One of the conditions of the approval of your permit no. G-32171/35-2757 was that proof of application of the water to beneficial use be submitted to this office on or before January 14, 1970.

Enclosed is an affidavit form which must be used to submit this proof. You may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code Amended.

RE: Permit No. 32171

J. Elmo Jeppesen & Keith Jeppesen
Route #2
Rexburg, Idaho

Dear Sirs:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit ~~and that you are submitting proof of beneficial use.~~ Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.
