American Falls, Idaho

Dear Mr. Loofbourrow:

We have issued Permits G-29130 and G-32045, both in the name of Willard A. Rowe, and both resulting from applications received from your office.

Both permits claim to irrigate lands in the SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 1; SE $\frac{1}{4}$ SW $\frac{1}{4}$, S $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 2; E $\frac{1}{2}$ NE $\frac{1}{4}$, N $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 11; W $\frac{1}{2}$ NW $\frac{1}{4}$, Sec. 12, all T. 7 N., R. 30 E., B.M. However, G-29130 claims 6.4 c.f.s. for 332 acres, and G-32045 has been licensed for 4.37 c.f.s. for 275 acres.

It appears that these permits may be duplicating each other, and one of them would have been unnecessary.

The error to which you refer is regrettable; however our certified mail receipt was signed by Mr. Rowe.

You are right in saying that the legal notice was published in the Power County Press. The confusion stemmed from the fact that the affidavit of publication was from the Aberdeen Times for some reason.

Enclosed find a relinquishment form which will do away with Permit G-29130 should Mr. Rowe decide to do so.
