RE: Water Right No. 29-13200

Dear Interested Parties:

Thank you for responding to my letter dated 03/06/2006, Water Right 29-13200 shows the place of use located in SW1/4SE1/4, section 28, township 6 south, range 34 east, unfortunately the documentation that you provided does not include SW1/4SE1/4, section 28, township 6 south, range 34 east, please provide proof of ownership Water Right 29-13200, other wise the water right needs to be split.

☒ **Filing Fee** of \$100 per water right for changes resulting from division of a water right

☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of SW1/4SE1/4 of section 28, township 6 south, range 34 east.

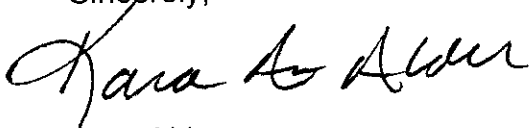

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice **will be an additional \$75.00 to split the water right.**

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information or fees. **If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.
