Dear Mr. Spackman,

In response to your above referenced preliminary order on King Creek Grazing Association, at this time we wish to not only challenge the amendment on the Change of diversion (which we had been advised by Mr. Roger Warner that it Was no big deal) but also address several of the findings of fact in paragraph's 8-10-14-15-16-17-18-20-23-25- and the Conclusion of Law paragraph 4-5-and 6.

Sincerely,

Sincerely,
