*Subject: Dave and Deb Jenkins Application for Transfer*

Dear Mr. Lester,

Enclosed on behalf of our clients, Dave and Deb Jenkins, is an Application for Transfer of Water Right. Historically, this right has been diverted from a point of diversion owned by another party. The Jenkins' are now owner of Water Right No. 63-10744, and they propose constructing a new well on their property and using this well as a point of diversion for this right. There will be no change in the place of use, the total number of irrigated acres, or the quantity diverted under this right.

Also enclosed with this application are (1) a Deed of Trust between Jenkins and Washington Mutual Bank, (2) Ada County property tax bills for the identified parcel, and (3) a notarized statement from Karen Gauger of Washington Mutual Bank consenting to the proposed transfer.

A check for \$250 is enclosed to the cover filing fees for this transfer application. Please contact me with any questions or requests for additional information.

Sincerely,

Scott N. King, P.E.  
Senior Project Engineer
