Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

Water right 34-7553 is still in Application for Permit status and requires an Assignment of Application for Permit form to be filed. An Assignment of Application for Permit form is enclosed for your convenience. There is no fee required for the filing of this form.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for 
Jeff Peppersack, Manager
