RE: App For Transfer 72402

Dear Mr. Adams;

Although this application was filed in December of last year, we still have not received your wife's notarized signature. Please have her sign the attached page before a notary before returning it to this office for inclusion in your application. Please respond by July 27, 2006, so that processing of your application can continue; the application cannot be processed without her signature.

Regards,

James E. Stanton
Sr. Water Resource Agent
