On May 2000 my father, Frank Eld, bought the property - 150'x150' Tax# 33, from Robert + Melissa Brunner. He didn't file for change of ownerships.

On 6-29-04 My husband bought the Northerly 90' of Tax# 33. See Legal Descip.

On 4-27-05 My husband, William Withers + I (Jennifer Eld) refinanced. My name is added to Deed.

On 3-24-06 My father gives me the old paperwork he got from the Brunner's + told me I should change the water rights for our portion into our names. The Southerly 60'x150' remains in his name - Frank Eld.

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.
