

MEMORANDUM

Date: May 09, 2006
To: Transfer 72761
From: dcarlson
Re: transfer evaluation

This transfer proposes to change the place of use to create a larger half pivot and to clean up other problems in the existing Arc view shape for 3 ground water rights. The additional acres to create this larger land list come from adjacent water rights to the south. The two wells from the existing three water rights will be used to serve this new place of use. no other wells will be drilled.

Authority to File:

Applicants are the owner of record as far as SRBA decree.

Wilma is the mother of Cory. He is her representative on her water right.

Water Right Validity:

These water rights were decree in the SRBA in 2002. Forfeiture is not an issue.

Injury to Other Water Rights:

Inside the ESPA area and in Water district 110. no watermaster selected.

No cell changes in the ESPA model.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
