RE: Permit G-27816

Andrew Well Drilling Contractors
1268 East 17th
Idaho Falls, Idaho 83401

Gentlemen:

We are in receipt of your check #10534 in the amount of \$29.00 written December 26, 1967. On the stub you requested we inform you of the charges for which the fees were due. Since this permit was filed under the old law or before July 1, 1967, the original application fee only covered the permit fee. The proof publication, the examiners fee and the acreage fee were separate. The \$29.00 fee is for the examination by our office. This is \$5.00 plus \$2.00 for each 40 acre subdivision the water is used on. Since you use the water on 12 subdivisions this would be \$24.00 and the \$5.00 minimum comes to \$29.00.

Hope this answers your questions. Your license will be forwarded shortly.

M. RUSSELL BOSCH
