Dear Sir,

It has come to my attention that the fee for a licence for wells No. 27403 and # 27404 have not been paid. Enclosed you will find a check for \$58.00 covering these fees.

These two wells now irrigate Section 10 and E $\frac{1}{2}$ of section 9 Twp. 6 S. R. 30 E. B. M. They were approved for 509 minor inches for the 960 acres. I will this summer drill another well on the E $\frac{1}{2}$ of Section 10.

I would like a permit for this well and a supplemental water right for approx 211 minor inches of water for the E $\frac{1}{2}$ of Section 10.

Permits G-25869 - G-25946
Emanuel Schritter

Elmer Isaak
Aberdeen, Idaho

Dear Mr. Isaak:

Enclosed are two forms for assignment of permits, one each for the two permits from Emanuel Schritter to Lenard Schritter. The assignments must be recorded in this office before Lenard Schritter can make the proofs.

The two permits of Lenard Schritter can be run in one legal notice and the two permits now in the name of Emanuel Schritter can be run in a second legal notice. The lands are separated and having so much difference in priority, one notice for all four permits would be difficult.

There is a fee of \$0.50 for recording assignment of permit which should accompany the assignment when sent to this office.

We will need an affidavit of publication for each permit.

Very truly yours,
