Dear Mr. Mayer:

In your letter of March 10, 1983, you accurately described water rights, Nos. 27281/35-2530, 22066/35-2197, 32161/35-2745, 31735/35-2733, and 32162/35-2746, which are on record with this department in the form of valid licenses.

Licensed rights are considered real property and appurtenant to the lands. Ownership of the licensed rights are evidenced by ownership of the lands. Therefore, no further action on your part is required as long as you continue to use the water in compliance with the rights.

If you have any questions or need additional assistance, please do not hesitate to contact us.

Dear Mr. Mayer:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use, under Permit No. G-27281. The proofs are to be made at 10:00 A. M., on the 24th day of February, 1959, before W. C. Loofbourrow, Notary Public, at American Falls, Idaho.

As of this date we have mailed the Notice to the Power County Press, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place on the date at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

RE: Application for Permit

Mr. Benjamin Mayer
American Falls, Idaho

Dear Mr. Mayer:

In reply to your letter of March 3rd, we enclose an application for Permit to appropriate the subterranean waters of the State of Idaho, together with a pamphlet, which gives regulations and instructions, and, sketch maps in duplicate, which are required to accompany the application. The map is to be drawn by "cross hatch" or color, showing the lands to be irrigated by 40-acre sub-divisions, section number, township, range, and, clearly show the location of the point of diversion (well).

After this application is approved and signed by the Governor and Secretary of State, it will be returned to you as a "Use Permit".

To complete the water right, two proofs are required:- Completion of works and Application to Beneficial Use, which are made at the same time. Under Question 10- the maximum time allowed for this is five (5) years.

When returning the application to this office, be sure to include the sketch maps in duplicate, and the filing fee, also make sure you have your complete address on the application.
