Subscribed and sworn to before me this

3d day of November, 1958.

W. C. Looffbourrow
Notary Public, residing at American Falls, Idaho.

My Commission expires the

(SEAL) 3d day of Jan., 1959.

Published in the Power County Press Oct. 2, 9, 16, and 23, 1958
NOTICE OF PROOF OF COMPLETION OF WORKS

and
APPLICATION OF WATER TO BENEFICIAL USE

Notice is hereby given that 2 p. m., on the 3rd day of November, 1958, at American Falls, County of Power, State of Idaho, before W. C. Looffbourrow, Notary Public, at American Falls, Idaho, proof will be submitted of the completion of works for the diversion of 3.2 cubic feet per second of underground water from a well, and of the application to beneficial use of said water, in accordance with the terms and conditions of Permit No. G 26620 heretofore issued by the Department of Reclamation of the State of Idaho.

1. The name and postoffice address of the person or corporation holding said permit is Edward Rast, American Falls, Idaho

2. Said works of diversion will be fully completed on the date set for such completion, and the amount of water which said works are capable of conveying to the place of use is 3.2 cubic feet per second.

3. The use to which said water has been applied is irrigation purposes, and the amount applied to beneficial use is 3.2 cubic feet per second.

4. The point of diversion of said water is center of SW $\frac{1}{4}$ Sec 16, Twp. 7, So., R. 30 E. B. M.

5. The place where said water is used is SW $\frac{1}{4}$ Sec. 16, Twp. 7, So., R. 30, E. B. M.

6. The date of priority which said user is prepared to establish is Nov. 9, 1956.

Geo. N. Carter

APPLICATION FOR PERMIT

To Appropriate the Subterranean Waters of The State of Idaho

25-2

Application No. G- 34520
Permit No. G- 26620
District No.

1. Name of Applicant: EDWARD RAST
Postoffice address: American Falls County: Power State: Idaho
2. Quantity of water claimed:
 - (a) Rate of withdrawal in cubic feet per second. 3.2 or Idaho
Miners' inches 160 or gallons per minute. 1440
 - (b) Annual withdrawal in acre feet per annum 832
3. Source of water supply: Well
4. Location of point of diversion or well is in the center of the SW 1/4 of Section 16
Twp. 7 S. , Rge. 30 E. , B.M., County of Power
5. Water is to be used for: Irrigation
6. If for municipal, industrial or recreational purposes, give:
 - (a) Point of use of water is in the 1/4 of the 1/4 of Section , Twp.
Rge. , B.M.
 - (b) Waste water or sewage effluent is to be returned to
at a point in the 1/4 of the 1/4 of Section , Twp , Rge. , B.M.
7. Kind of works: Well and sprinkler system
8. Estimated cost of works: \$ 24,000.00
9. (a) Is reservoir to be used? No
(b) Capacity of reservoir:
10. The time required for the completion of such work and complete application of the water to the proposed use is 2 (two) years.
11. If applicant is a corporation, give:
 - I. (a) Date and place of incorporation:
(b) Amount of capital stock: \$ (c) Amount paid in: \$
(d) Names and addresses of directors:
 - II. The financial resources of the applicant are (a) Cash on hand: \$
(b) Treasury stock: (c) Bonds to be issued:
(d) Other resources:
12. The land to be irrigated is described in the following tabulation:
13. Existing water rights and/or valid permits appurtenant to the lands to be irrigated are: none
 - (a) (cubic feet per second, inches or gallons per minute) of the water herein applied for is to be supplemental to the existing water rights.
 - (b) (cubic feet per second, inches or gallons per minute) is for new lands.

BE IT KNOWN THAT The undersigned hereby makes appli cation for permit to appropriate the public waters of the State of Idaho as herein set forth.

Re: Rast Mountain View Farm Corporation

Gentlemen:

We have an application for a loan from the Rast Mountain View Farm Corporation, which consists of Edward Rast, Ervin Rast and Harold Rast on the following described property:

E $\frac{1}{2}$, SW $\frac{1}{4}$ Section 16, Township 7 S Range 31 EBM in Power County. (480 acres)

There are three wells located on this property but the applicants cannot seem to be able to locate any of the water licenses. Could you please furnish us information as to the amount of inches, priority of each of these wells?

Thank you.

Yours truly,

Permit No. 35-2817

Blair W. Archibald, Manager
Federal Land Bank Association
P. O. Box 72
Blackfoot, Idaho 83221

Dear Mr. Archibald:

This is in reply to your letter of January 22, 1970, regarding water rights for East Mountain View Farms Corp. If the description on your letter is right, all but one small 5 acre section is under water in American Falls Reservoir. I thought perhaps you may have meant the description to be 30 East, B.M., therefore, listed below are three wells in that area.

35-2247 - License issued to Edward Rast for 2.0 c.f.s. from a well in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Section 16, with a priority of September 11, 1952.

35-2483 - License issued to Edward Rast for 2.0 c.f.s. for a well in the NW $\frac{1}{4}$ SW $\frac{1}{4}$, Section 16, with a priority of November 9, 1956.

35-2817 - Permit issued to Edward Rast for 3.2 c.f.s. for a well in the Center of the NE $\frac{1}{4}$, Section 16, T 7 S., R 30 E., B.M. with a priority of February 23, 1966.

This permit will be licensed as soon as our field exam is completed. Let us know if we can help your office further.

Very truly yours,

M. RUSSELL BOSCH
Administrative Assistant

November 5, 1958

Re: Permit No. G-26620

Mr. Edward Rast
American Falls,
Idaho

Dear Mr. Rast:

We acknowledge receipt of the Deposition of Holder and two witnesses, also affidavit of publication in the Power County Press, all submitted in Proof of Completion of Works and Application of Water to Beneficial Use, on Permit No. G-26620.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

✓
Permit No. G 26620

Proof of Application of Water to Beneficial Use

and Completion of Works Deposition of Holder

Ques. 1. State your name, residence, occupation and postoffice address.

Ans. Edward Rast, American Falls, Idaho, farmer, American Falls, Idaho

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. _____

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. G 26620, Nov. 29, 1956, ~~June 1st, 1957~~ → 11-9-56

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Well in center of the SW $\frac{1}{4}$ Sec. 16, Twp. 7 So., R. 30, E. B. M.

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined. If sprinkler irrigation, give number and size of nozzles and operating pressure.

Ans. Well in center of quarter, and a sprinkler system, containing 198 sprinkler heads.

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Irrigation, used about equally on each forty in said SW $\frac{1}{4}$, Sec. 16, T. 7S., R. 30E.

Each forty has forty acres in cultivation; it was dry land wheat land before irrigation. It is still used for raising wheat; and the improvements made as a result of the irrigation is that it increases the yield per acre about 2/3ds.

26620

#8

Ques. 7. If for other than irrigation purposes; state how applied, amount of horse power generated, etc.

Ans. _____

Ques. 8. What is the minimum amount of water required for the purpose specified above?

Ans. 1 miners inch

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans. _____

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. 3.2 cubic feet, estimated by figuring 8 gallons per minute per sprinkler head and there are 198 sprinkler heads. The system has been use practically continuously from June 1st, 1957, and all of 1958, during the irrigation seasons in said years.

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. none

(Sign) Edward Rast

I hereby certify that the foregoing testimony was read to the above subscribed before its signing, that I believe him to be the person he represents himself to be, and that said testimony was subscribed and sworn to before me, at my office in American Falls, County of Power, State of Idaho, on this 3d day of November, A. Permit No. G 26620

Proof of Application of Water to Beneficial Use

Deposition of Witness and Completion of Works

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. John Rast, 46 years, American Falls, farmer, American Falls, Idaho

Ques. 2. Are you acquainted with Edward Rast, the holder of Permit No. G 26620? How long have you known him and where does he reside?

Ans. 36 years, American Falls, Idaho

Ques. 3. Have you read or heard read said Permit No. G 26620, and are you familiar with its provisions and conditions?

Ans. yes

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Well at center of SW $\frac{1}{4}$ Sec. 16, Twp. 7, So., R. 30, E. B. M.,

Sprinkler system

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. 3.2

Ques. 6. (Pumps) How much water in cubic feet per second, miner's inches, or gallons per minute have you seen the pump deliver, and how did you measure or estimate the amount?

Ans. 3.2 cu. ft. estimated this by figuring 8 gallons per minute per sprinkler head and there are 198 sprinkler heads.

P 26620

Ques. 7. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Irrigation, 40 acres in each forty of the SW $\frac{1}{4}$ Sec. 16, Twp. 7, So.,
R. 30, E. B. M.; Sandy loam soil. Irrigation has increased the yield per
acre about 2/3ds. It was all dry land and all cultivated prior to irrigation

Ques. 8. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. _____

Ques. 9. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. Sandy loam, 1 miner's inch

Ques. 10. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. no

Ques. 11. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. June 1st, 1957. See it practically every day. I can see the
sprinklers from my home. It was running all through the irrigation
season of 1957 and 1958.

Mr. W. C. Loofbourrow
Attorney At Law
American Falls, Idaho

Dear Mr. Loofbourrow:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-26620, in the name of Edward Rast. Final proof is to be made before you, as Notary, on the 3rd day of November, at 2:00 P. M., at American Falls, Idaho.

As of this date we have mailed the Notice to the Power County Press, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and his two disinterested witnesses, who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

GEO. N. CAPTER

NOTICE TO ACCOMPANY THIS LETTER MUST BE MADE IN DUPLICATE

(Date) September 19, 1958

(P. O.) American Falls, Idaho

TO THE STATE RECLAMATION ENGINEER:

Boise, Idaho

Dear Sir:

You are hereby authorized to have the attached notice published at my expense in the
Power County Press of American Falls, Idaho, published in
the county in which the works are situated.

Power Co. ✓

Edward Rast

(In case of canals or other works designed to divert and carry more than 50 cubic feet of water per second, the following certificate must be signed by a well known and competent engineer.)

I hereby certify that the facts set forth in the attached notice are true.

Engineer.

S26620

STATE OF IDAHO

DEPARTMENT OF RECLAMATION

BOISE

RE: Permit No. G-26620

Date September 2, 1958

Edward Rast

American Falls, Idaho

Dear Sir:

The date for proofs of completion of works and application of water to beneficial use, as set out under the terms of Permit No. G-26620 are due not later than November 29, 1958.

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list which has been recorded in this department. If changes have been made and no amendments are on record, we advise that you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the above mentioned date, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point or points of diversion; and the location of use or the lands which are irrigated--all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with Form 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.

Very truly yours,

GEO. N. CARTER

State Reclamation Engineer

RE: Application for Permit

Mr. W.C. Loofbourrow
Attorney at law
American Falls, Idaho

Dear Sir:

In reply to your letter of November 6, 1956, we enclose a form of application for Permit to appropriate subterranean water from a well together with a pamphlet giving regulations and instructions in regard to filing same.

When this application is approved, it will be signed by the proper State officials and sent you as a ~~see~~ Permit under which you may proceed with the construction of the work described in the application.

In order to complete your water right, proofs of Completion of Works and application of the water to Beneficial Use are required. The time required for making these proofs should be indicated under Question 10.
