Dear Mr. Kulp:

Replying to your two communications of the 17th instant; one with respect to Permit No. G24024, assignment, Kenneth Taylor to Watson E. Thomson; and one with respect to Horace E. Fullmer, application for permit, in each of which cases I have made a miscalculation as to the fees.

I note by the examination of the letter regarding Fullmer, that I enclosed \$1.50 more than the fees and I failed to remit \$1.50 with the assignment of G24024. I do not need any certified copy of Mr. Fullmer's permit for the reason that he is the owner of the land upon which he requests permit; in fact, the works are partically completed now.

If, therefore, you will apply the over-remittance in the Fullmer case to the under-remittance in the Taylor assignment, I believe the accounts will balance.

Thanking you very kindly for calling these matters to my attention, I beg to remain,

Yours very truly,
