Jeanne L. Andersen;

I am writing about a permit to drill a well in the NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of sec. 12, Twp. 5 S. 30. E.B.M. You wrote me on the 19 th. June saying that the permit would be processed. This included a certified copy for a desert land entry, for the B. of L.M. I've received notice from the Bureau of Land Management that I have only till the 7 th. of July to get the permit to them. Is it possible to mail the permit in time and direct to the B. of L.M? Let me know what you can do.

Thanking you,

Clifford Wride
