In checking your Proof of Completion of Works and Application of Water to Beneficial Use received in this department several days ago, we note that you had your depositions sworn to before Henry Dietrich as of April 1, 1957, in place of April 24, 1957, as published.

These proofs, according to the records, was held by you until the spring of 1958 before receipt of same in this department.

For your protection, it will now be necessary, before the approval of these proofs by this department, that you furnish us with an affidavit signed by Mr. Henry Dietrich, stating that his office was open for business at 2:00 P. M. on the 24th day of April, 1957, and that no person or persons appeared before him on the date as noted in the publication notice, submitting any protest, written or otherwise, against said proofs.

Please furnish us with this affidavit as soon as possible, so that we may finish processing your proofs.

Very truly yours,

E. N. HUMPHREY

RE: Permit No. G-24138

Mr. Earl N. Hoopes  
Rexburg, Idaho

Dear Mr. Hoopes:

This acknowledges receipt of the depositions of Holder and two witnesses and the affidavit of publication in the Daily Bulletin in proof of completion of works and beneficial use under Permit No. G-24138.

Before a permit can be licensed, the law requires that a field examination be made by an engineer from this department. At this time we cannot say just when this will be made but our field engineer will contact you prior to the time he is to make the inspection so that you can accompany him.

Very truly yours,
