Dear Mr. Keen,

This letter is in reference to permit #24-10673. The source of water on the permit application was incorrectly identified as "unnamed stream/spring". It should be identified as "Spring Creek". I am very sorry for the mistake and would like to apologize.

In speaking with Cindy Bird from the Soda Springs office, she suggested that I write to you and inform you of the mistake. Please let me know what you would like me to do to correct the situation.

Cordially,

Scott Carlisle
