RE: Permit No. G-23376

Mr. David D. Becker  
Aberdeen  
Idaho

Dear Mr. Becker:

We have your letter of September 15, 1955, enclosing the check for \$17.00 in payment of Certificate of Completion of Works and License fee on the above numbered Permit.

The License fee is based not on the total number of acres but on the number of legal subdivisions on which the land is irrigated.

Your 200 acres are located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ , SW $\frac{1}{4}$ NE $\frac{1}{4}$  and NW $\frac{1}{4}$  of Section 12 or six 40 acre subdivisions. The correct License fee therefore would be \$12.00 which is included in your check.

Certificate of Completion of Works and License will be issued and sent you shortly.

Very truly yours,

MARK R. KULP

Dear Sir:

I am sending a check with the letter to cover the statutory fees for completion of work on permit No. H-23376.

If I understand your letter correctly the license fee is \$2.00 for every 40 acres, therefore, my license fee would be \$10.00 on 200 acres instead of \$12.00 as you stated in the letter you wrote me.

I am sending you the full amount you asked in the letter and if there is a correction to be made I'll let you make it, because maybe I didn't understand your letter correctly.

Yours truly,  
David D. Becker.

RE: Permit No. G-23376

Mr. David D. Becker  
Route 1, Box 76  
Aberdeen, Idaho

Dear Mr. Becker:

The report of our field engineer on examination for completion of works and beneficial use on Permit No. G-23376 shows that your well in the NE $\frac{1}{4}$ NW $\frac{1}{4}$  Section 12, Township 6 South, Range 30 East B.M. will deliver 130 inches of water which has been used to irrigate 200 acres in the NW $\frac{1}{4}$  and the W $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$  and W $\frac{1}{2}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$  of said Section.

A Certificate of Completion of Works and License can, therefore, be issued for 130 inches or 2.6 second feet of water upon receipt of the statutory fees amounting to \$5.00 for completion of works and \$12.00 license fee, the latter being at the rate of \$2.00 for each 40 acre subdivision in which the land is located.

Very truly yours,

RE: Permit No. G-23376

Mr. David D. Becker  
Route 1, Box 86  
Aberdeen, Idaho

Dear Mr. Becker:

Reference is made to your letter of September 6th in which you state that you are prepared to make the proofs necessary to complete your water right under Permit No. G-23376.

Before these proofs are made, the statutes require publication of a notice once a week for four weeks in the County where the water is located. This notice should be made in duplicate on form 36 enclosed setting the time and place and naming the Notary Public before whom the proofs are to be made.

The proofs may be made at Aberdeen or at any place convenient for you and your two witnesses, and the time must be set far enough ahead to allow for four weeks publication.

Both copies of form 36 to be returned to this Department together with form 11 which is your authorization for us to have the notice published at your expense in the designated county newspaper.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing and shall send you the necessary forms of deposition to be executed by yourself and two witnesses in making these proofs.

Very truly yours,
