Clare A. Nowels
Box 1072
Aberdeen, Idaho

Dear Madam:

We enclose Permit No. G-22942 and direct your attention to the limitations and conditions as given on the fourth page under approval of the State Reclamation Engineer.

We also enclose departmental receipt No. 24713 for the \$5.75 filing fee.

In checking Question 12 of your application with the map, we note that although your map shows the land to be located in the SW $\frac{1}{4}$ and the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 6, Township 6 South, Range 31 East, B.M.; Question 12 shows the location in the SW $\frac{1}{4}$ and NW $\frac{1}{4}$ NW $\frac{1}{4}$ of the section.

We have assumed that the sketch map is correct, and have changed Question 12 accordingly.

If this is in error and the odd forty should be in the NW $\frac{1}{4}$ NW $\frac{1}{4}$, please return both the permit and the sketch map for correction.

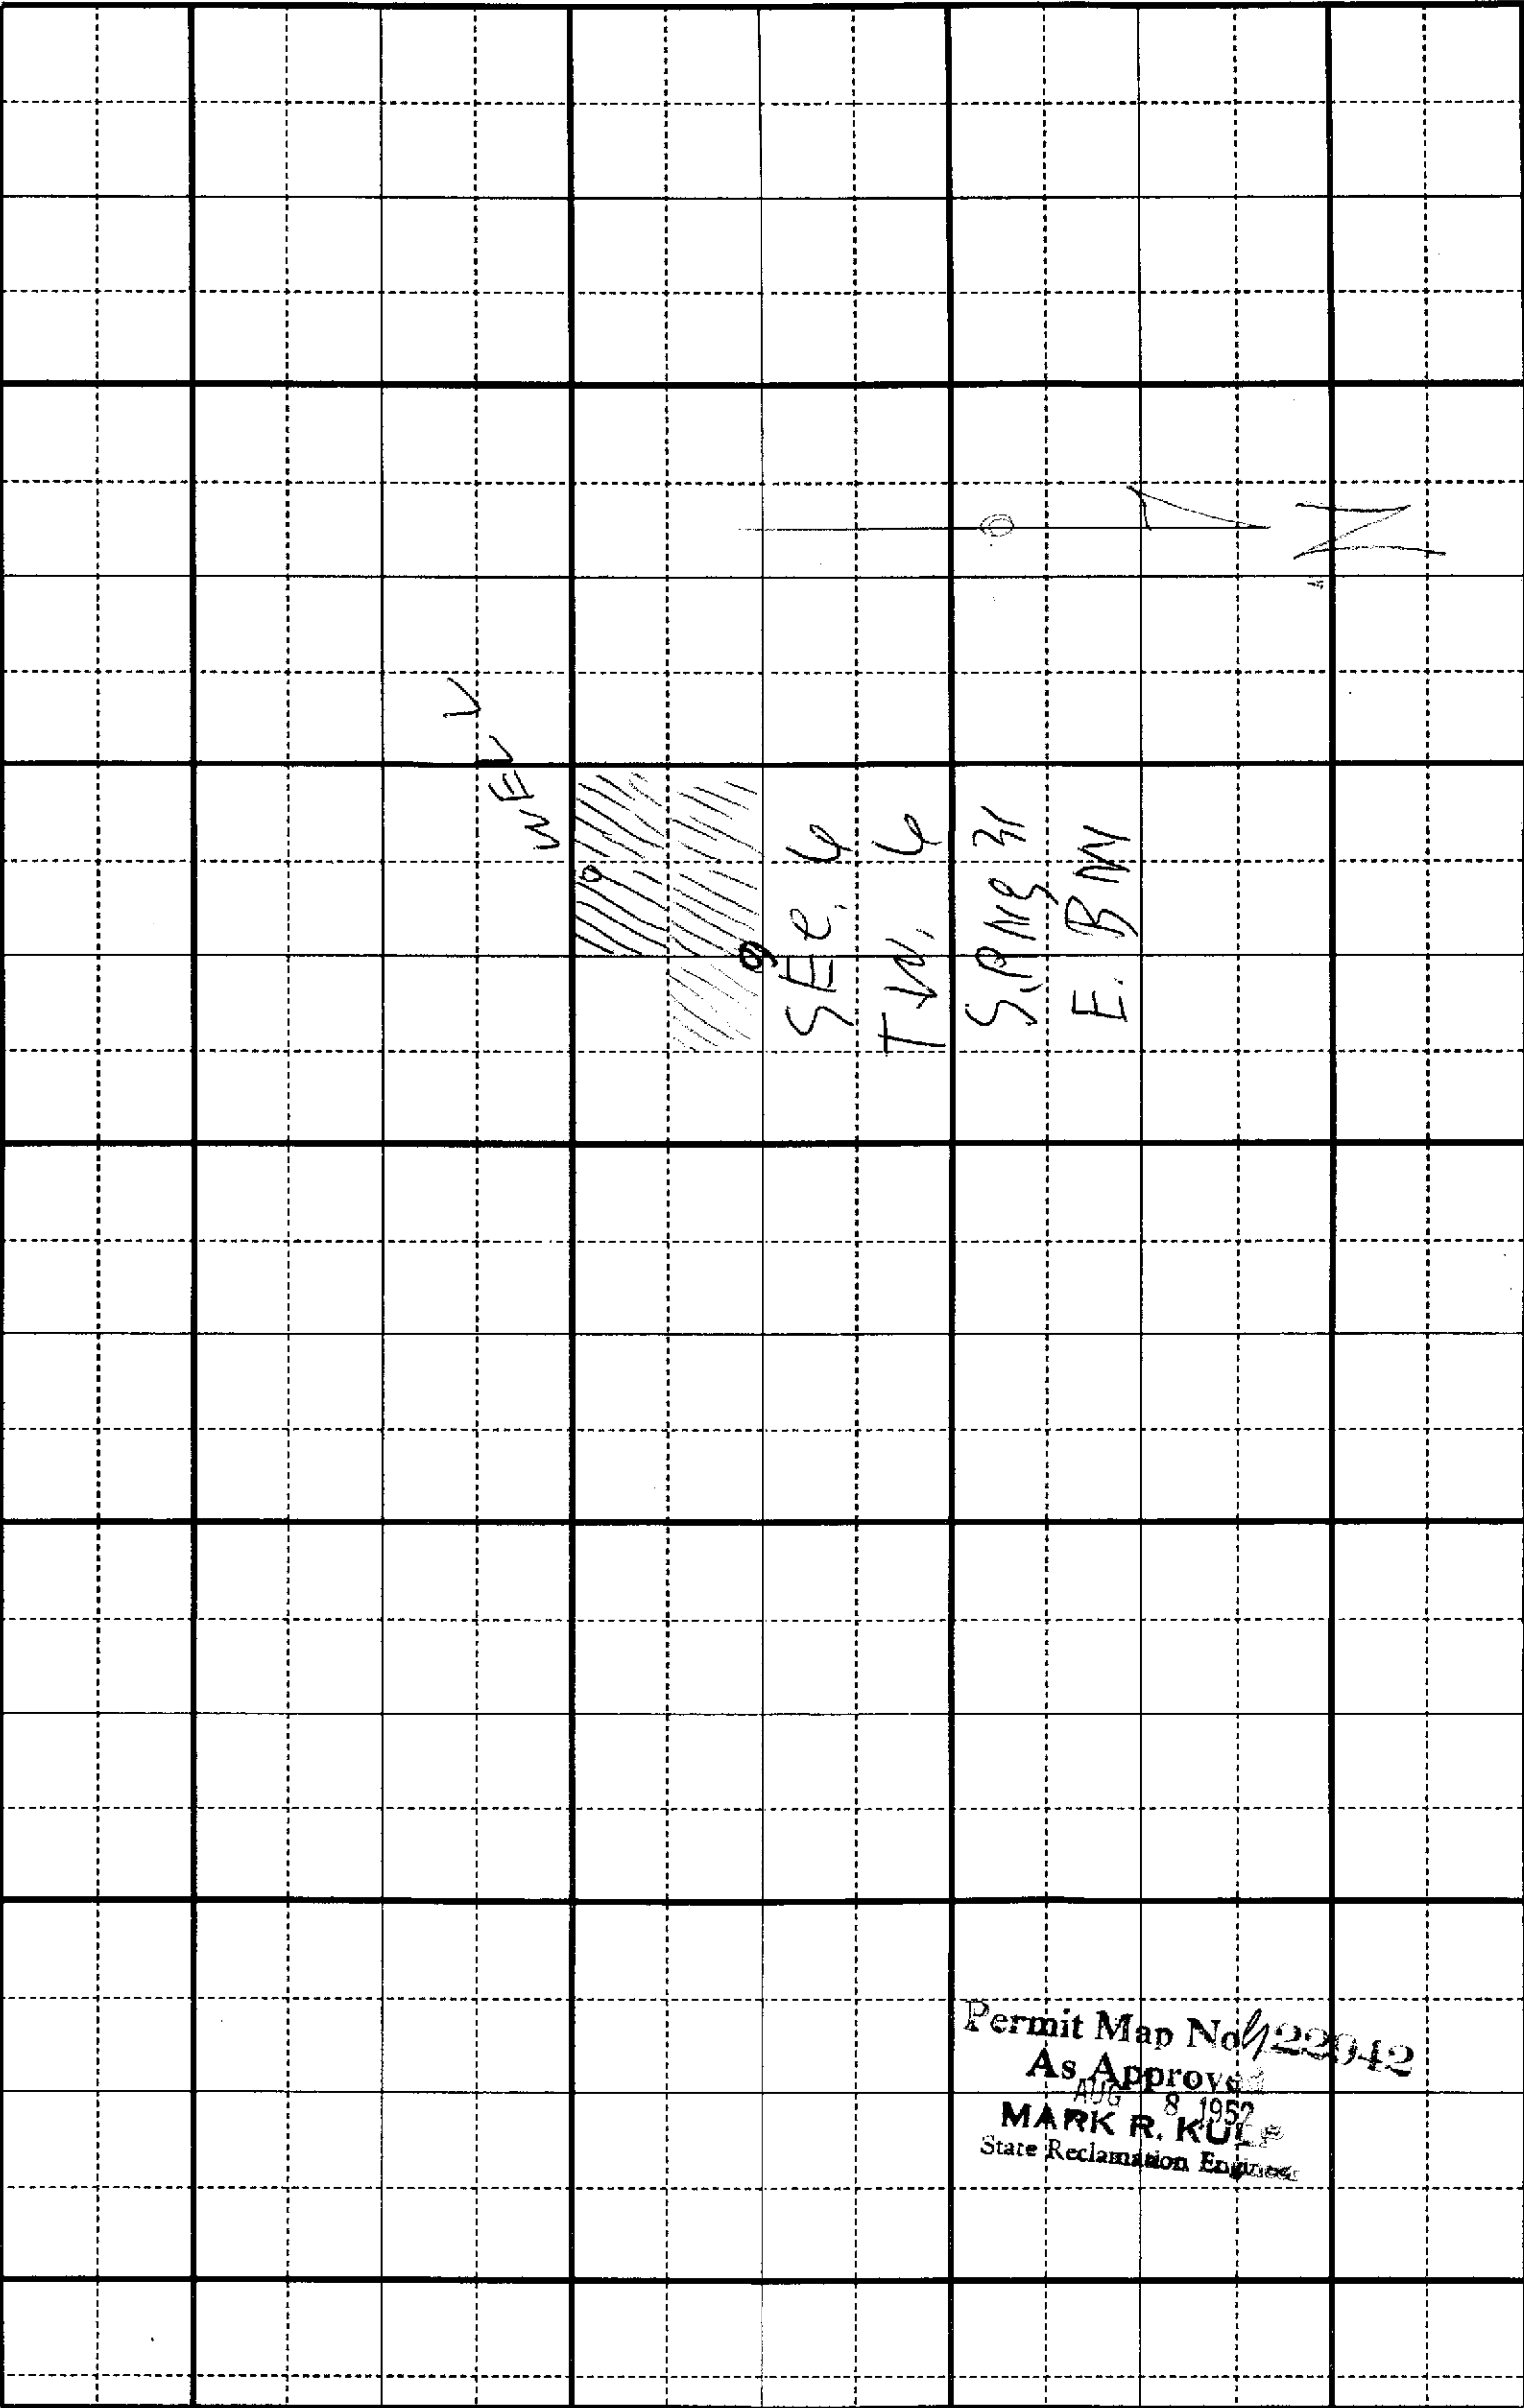

Very truly yours,
