Dear Mr. Merritt

Pommeville Ski Area in the
year last few years have been
engaged in artificial snow making.

This affecting stream flows of
District 45-F - The area is located
in T-13-S - R-24-E - Sec. 2 or 11 or more.
To the best of my knowledge
the area has no permit for this
practice.

According to the Times News
dated Friday October 18, 1996
front page They are actively making
artificial snow again.

over.

Would you please look into
this matter and return to me
by mail an acknowledgment
of the legality of this activity.

Your Prompt
Attention would
be appreciated.

Thank you
