Re: Applications to Appropriate Water Nos. #72-16645 and #72-16696

Dear Mr. and Mrs. Strobe,

The Idaho Fish and Game Department has reviewed your application for water withdrawal from wells adjacent to the Salmon River near Clayton for domestic and irrigation purposes. The Department believes that your application will not negatively impact fishes or aquatic resources and we are not opposed to the project. Thank you for the opportunity to comment.

Sincerely,
