RE: Water Right Nos. 31-7128 & 31-7489

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. Upon further review of water rights 31-7128 & 31-7489 it appears that the potato plant and humidifiers are included under both water rights. I have enclosed a copy of the water right Partial Decree and Transfer or Water Right for your reference.

Please provide proof of ownership for the entire water rights or provide documentation supporting quantities to split the water rights from Blaine Larson Farms to RDO Processing LLC. If the water rights are to be split the quantities should be confirmed by Blaine Larson Farms.

 X **Filing Fee** of \$100 per water right for changes resulting from division of a water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **an additional \$150.00** if the water rights need to be split.

Because the Department cannot process the ownership change without proper documentation and/or fees, we will hold any action on your notice pending receipt of the necessary information and/or fees. If we do not receive the necessary information and/or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions about this matter, please call Kari Lynn Townsend at 208-287-4952
