

CONVERSATION MEMORANDUM

Date 6/7/06

File 78-12218

NAME OF PARTY MAREN/gloria Mortenson

EMPLOYEE JL

RE: AMENDMENT APPLICATION & EXTENSION REQUEST FOR PROOF -

① Amendment - change P/O (SOURCE) to nearby Little

Elk Creek. Same proposed diversion in protested

Appl. 78-12245 for Stutty. Mortenson attended

prehearing conference for 78-12245 on 5/3/06 - thought

already had approval to use Little Elk Creek but

learned that 78-12218 lists Elk Creek instead.

Pending settlement agreement in Stutty's 78-12245 probably

can be used to resolve anticipated protest/concern for

changing 78-12218.

② Ext. of Time to file Proof B.L. -

Since Amendment would need to be approved to

complete development in 78-12218, also file

Ext. Request today.

Mortenson's gone until early September 2006 - wait

to contact them to process Amendment application.

CC: 78-12245
