

MEMORANDUM

Date: June 28, 2006
To: Water Right File 75-7655
From: Shelley Keen 
Re: Wild & Scenic Rivers Stipulated Agreement

The subordination provisions of the Wild & Scenic Rivers stipulated agreement do not apply to this permit because the agreement exempts applications filed before Sept. of 2003. However, item 2.c. of the agreement (p.5) says that IDWR will require EACH new non-de minimis water right established after the agreement date to have a lockable controlling works and a measuring device with a data logger.
