RE: App For Permit 37-21742 (Carey High School)

Dear Sir,

Enclosed is a corrected application for your review and signature. I have been reviewing the original application with Christian Petrich and John Gaedert, and we have agreed that certain changes were necessary to the legal description of the proposed place of use. If this is acceptable, please sign the enclosed application before returning it to me for processing; please be sure to include your title along with your signature. Once we receive the signed document, it will be scheduled for advertising as soon as possible.

Regards,

James E. Stanton
Sr. Water Resource Agent
