Ernie,

In the last week or two the FS filed 8 new applications for permit for the Salmon-Challis National Forest. They were filed in the State Office, but I know they will be coming to you. The address on those applications was 50 Hwy 93 South in Salmon. I've just receive an urgent message that the address for the Salmon-Challis National Forest is now: 1206 South Challis Street in Salmon, ID 83467. I would appreciate it if that change could be made on those recent applications before they get any further along. I can prepare and send to you new front pages of each application with this change if you would like. Let me know what will work. Thank you.
