RE: PERMIT NO. 63-11540

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit, which extends the time within which to submit proof of beneficial use to **October 1, 2006**. Please note that the department has granted this extension based on a delay caused by litigation. It is important that you work diligently toward the completion of the development during the construction period allowed since the department **may not** be able to grant additional extensions in connection with this permit.

Section 42-248, Idaho Code, requires you or the owner of the water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact me at (208) 287-4942, if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is written in a cursive, flowing style.
