RE: PERMIT NO. 63-11540

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit. This order extends the time within which to submit proof of beneficial use to **August 1, 2006**, due to delay of development caused by litigation. Please note that the department has granted the extension based on the actual time litigation was pending during the last development period, according to Section 42-204(1), Idaho Code. It is important that you work diligently toward the completion of the development, since the department may not be able to grant additional extensions in connection with this permit.

Section 42-248, Idaho Code, requires you or the owner of the water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact me at (208) 327-7953, if you have any questions regarding this matter.

Sincerely,

Deborah J. Gibson
