Re: Permit No. 96-9144

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use ("proof") form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority date since proof was submitted after the proof due date.

During my review of the proof you filed for the above water right permit, I found that you paid \$150.00 for the license examination fee. However, this permit granted a diversion rate of 0.12 cfs, that filing fee is \$50.00. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$100.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of water rights to maintain current ownership and address records on file with the department. Comparing your proof to the permit, I noticed that the permit has a Portland address and the proof has a Vancouver address. I have changed the database record for this permit to reflect that change. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office.

If you have any questions or the above address is not correct, please contact either the **Northern** Regional Office of the department in Coeur d'Alene (208) 769-1450, or myself at (208) 287-4942.

Sincerely,

Deborah J. Gibson
