Scott:

I forwarded a copy of your email to IDWR files for follow up at a later date (probably in licensing field exam).
Thanks for noting this. *

Hi Steve,

Permit 63-12597 was issued for section 22 (of 5N 1E), but the application and development appear to be in section 33 per the backfile. I'm not working on this one, but it turned up in a WR search in Section 22. Looks like a data entry error.
