RE: App For Transfer 72803

Dear Travis;

I have completed my initial review of your application, and am recommending the application for approval as filed. My shape file for your area of impact covers just under 15,000 acres; a copy is enclosed for your information. Our Boise office still needs to review your file before advertising can be scheduled, and that will take some time. If you have questions or comments, feel free to contact me.

Regards,

James E. Stanton  
Sr. Water Resource Agent
