Re: phone call

I called Tom Carlson today to inform him that we still did not have the assignment of permit from

Coleman and would need to either have that and the notice of continuing interest, or void the application.

Mr. Carlson told me he had been in contact many times with Shirley Coleman and her lawyer, Ray Rigby [(208) 356-3633]. He had been assured many times that they had the forms and the assignment was in the works.

Mr. Carlson indicated he would call both Shirley and Ray again to try and make some progress.

I put the file on call up for a few weeks.
