Eastern Region

Thank

Steve Hull

Please keep me informed of any developments
Also included are photo's of the
overflow water from her spring that
rather than using for yard irrigation
just runs down the barrow pit

Cynthia's Home, Yard &
Overflow water from her filed on
Spring.

May 14, 06

Cynthia's, considerable overflow water
from her spring.

May 14. 06

May 14th, 2006

Steve,

This letter is to follow up with you on two previous phone calls I have made to you asking you to turn my water valve back on. The first call was made on Thursday, November 24th, 2005 and the second on Saturday, May 13th, 2006.

Since you have not turned it back on, I am requesting again, that you turn it on.

Thank you,

Cindy Hull

MAY 19TH 2006

TO WHOM IT MAY CONCERN, *cc Cynthia Keller Smith Hull*

THIS LETTER IS IN RESPONSE TO YOUR REQUEST TO USE MY CULINARY WATER FOR YOUR LAWN IRRIGATION. OTHERWISE WHY IS IT THAT YOU MAKE YOUR REQUEST NOW WHEN DRY WEATHER IS HITTING YOUR YARD. I DO NOT BELIEVE THAT IT'S FILING IS FOR THIS USE. FURTHER, IN 1998 YOU WERE PART OF THE DECISION TO DISCONNECT THIS RANCH SPRING WATER FROM YOUR PROPERTY.

YOUR 2005 REQUEST FOR CHANGE OF OWNERSHIP OF THE RANCH SPRING # 13-4214 IS RIDDLED WITH MISINFORMATION MAKING YOUR CLAIM OF A 1953 PRIORITY DATE ACTUALLY APPLICABLE TO YOUR DULY FILED ON SPRING YOU ARE NOW CONNECTED TO FOR DOMESTIC WATER. DETAILS OF WHICH WERE SENT TO YOU IN JAN. 2006 VIA MY PROTEST OF YOUR CLAIM.

MORE IMPORTANTLY, WITH LITTLE EFFORT YOU COULD UTILIZE THE OVERFLOW FROM THIS SPRING AND WATER 5 YARDS THE SIZE OF YOURS.
(see enclosed photos)

AS WE DISCUSSED ON YOUR MENTIONED PHONE CALL, VOID A SETTLEMENT, WHICH I HAVE OFFERED, OR A DECISION ON THESE CONTENTIONS, ACTING ON LEGAL ADVISE THE RANCH SPRING WATER WILL REMAIN OFF.

VERY SINCERELY,

Steve Hull

cc: IDWR, Idaho Falls, ID.
