RE: Application for Transfer for Water Right 61-7298

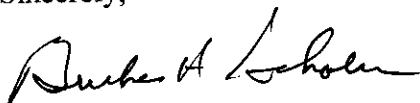

Dear Dan:

In response to your request to extend the processing time of this application regarding the need to provide additional documentation, I am hereby requesting that you leave this application open for the period of one (1) additional year, from this date.

Since this transfer is rather complex, dealing with other owners and other water rights, it will no doubt take an unknown amount of time to settle and get agreements established and approved.

Thank you for your consideration in this extension.

Sincerely,

Burke H. Scholer
