In re: Transfer 72128

Dear John:

As a representative of the protestants for water transfer 72128, I wanted to inform you that we have retained John K Simpson of Barker Roshalt and Simpson to be our legal council.

We request that the pre hearing conference, scheduled for April 12,2006, be delayed to give Mr. Simpson time to prepare for this event. We will advise you when we can reschedule the pre hearing conference.

Sincerely,

Charles J. Olson

Representative of the protestants
