Re: Transfer No. 72503/Water Rights 65-2963 and 65-12007

Dear Mr. Peppersack:

Thank you for your letter dated May 23, 2006, regarding the approval of the above-referenced Transfer Application. As you know, this firm represents the Applicant, Boulder Meadows Irrigation, Inc. I have two questions. First, from looking at the Digital Boundary Map, it is hard to tell if the POU in the SE ¼ NE ¼ of Section 25, T18N R3E, and in the SW ¼ NW ¼ of Section 30, T18N R4E, is shown on that Digital Boundary Map. If that part of the POU is indeed shown on the Digital Boundary Map, then that part of the POU appears to be in order. However, if it is not shown, then can a new Map be produced and a copy please sent to us?

The second question is that the Digital Boundary Map attached to the Transfer approval papers seems to indicate a POU in Section 11, T17N R3E. Would you please double check that to see if it is an error?

Thank you for your assistance.

Sincerely,

Brian L. McMahon
