Last Will and Testament

DEC 7 PM 2 03

BY
OF

ROBERT S. BLASTOCK

CLERK
DEPUTY

COPY

SP01-1276

I, **ROBERT S. BLASTOCK**, of Twin Falls County, Idaho, make my last will and testament, revoking all previous wills and codicils. My spouse's name is **GEORGIA L. BLASTOCK** and all references to my spouse are to her only. I have five living children and no deceased children. The names of my living children are as follows: **CARLA LOUISE OHANESIAN; GEORGE GREGORY BLASTOCK; BARBARA CHRISTINE BLASTOCK; MARY CAMILLE GLENN; and ROBERT DOUGLAS BLASTOCK**. All references to my children are to such children.

ARTICLE 1: SPECIFIC GIFTS

1.01 Personal and Household Effects.

(a) Gift by Written Statement. I give my personal and household effects of every kind, including but not limited to furniture, appliances, furnishings, pictures, silverware, china, glassware, jewelry, wearing apparel, boats, automobiles and other vehicles, in accordance with a written statement signed by me or in my handwriting which I intend to leave at my death.

(b) Contingent Gift. I give all of such property not effectively disposed of by such written statement to my spouse, if she survives me. If my spouse fails to survive me, I give such property to my children who survive me, to be divided among them as they shall agree, or, if they shall fail to agree within six months after the appointment of my personal representative, to be divided among them in portions of approximately equal value, as determined by my personal representative. If any such child is under the age of 18 at the time of such division, the person having custody of such child shall represent him for all purposes of this paragraph,

ROBERT S. BLASTOCK

(b) Unproductive Assets. My spouse may, from time to time, by written, signed direction, require my trustee to convert any unproductive property in The Marital Trust to productive property.

(c) Qualification for Estate Tax Deduction. All provisions of this will shall be so construed and applied that the property passing to The Marital Trust shall qualify for the federal estate tax marital deduction. My fiduciaries shall not exercise any power granted under this will in a manner inconsistent with qualification of the gift herein made to The Marital Trust for such deduction.

ARTICLE 4: FAMILY TRUST

4.01 Trust for Family Members. That portion of my trust estate not effectively disposed of under Article 3 shall be referred to as The Family Trust and shall be held, administered and distributed in accordance with the following provisions of this Article 4.

4.02 Trust Distributions. My trustee shall hold, manage, invest and reinvest the property comprising The Family Trust, collect the income therefrom and pay all, none or such part of the net income and principal to my spouse in such amounts, shares and interests as my trustee may determine.

4.03 Power of Spouse to Withdraw Principal. My spouse shall have the power, from time to time, to withdraw from The Family Trust, free of any trust created by this will, such portion of the principal of The Family Trust, not to exceed during any calendar year the greater of \$5,000 or five percent of such principal as of the end of such year, as my spouse may determine; provided, however, that my spouse shall have no power to withdraw from The Family Trust any interest in a policy of insurance on her life. Such power shall be exercisable by a written, signed request making specific reference to such power and delivered to my trustee during the lifetime of my spouse and prior to the end of the calendar year for which such withdrawal is made. Promptly upon

ROBERT S. BLASTOCK

receipt of any such request, my trustee shall distribute to my spouse the portion of the principal of The Family Trust specified therein. The power of my spouse to withdraw principal hereunder shall be noncumulative and shall lapse if not exercised within the time and in the manner prescribed by this Article 4.03.

4.04 Special Power of Appointment. My spouse shall have the power, from time to time, to appoint free of any trust created by this will, any part or all of the income and principal of The Family Trust, to any of my issue and the spouses of my issue and to any charitable, educational, scientific, religious or other entities, gifts to which are deductible or exempt for purposes of federal and state gift and income taxes, in such amounts, shares and interests as my spouse may determine; provided, however, that my spouse shall have no power to appoint any interest in a policy of insurance on her life. Such power shall be exercisable by last will of any date or by a written, signed declaration making specific reference to such power and delivered to my Trustee during the lifetime of my spouse. Promptly upon the death of my spouse having exercised such power, or upon the receipt of such a declaration, as the case may be, my Trustee shall distribute the appointed portion of the income or principal of The Family Trust as specified in the instrument exercising such power. No such distribution shall constitute an advance against the amount receivable by any person in default of appointment pursuant to this Article 4 or discharge my spouse from any legal obligation, including any obligation to support or maintain any person.

4.05 Termination of Family Trust. When my spouse has died, the portion of the property comprising The Family Trust that has not been effectively disposed of under the foregoing provisions of this Article 4 shall be divided into as many equal separate shares as will make one for each of my children who are then living and one for the then living issue, taken collectively, of each of my children who are then deceased. Each such share shall be held,

ROBERT S. BLASTOCK

administered and distributed in accordance with the following paragraphs of this Article 4.05.

(a) Distributions for Children. Each share allocated to a living child of mine shall be distributed to such child free of trust.

(b) Shares for Issue of Deceased Child. My trustee shall hold, manage, invest and reinvest the property comprising each share set aside for the issue of a deceased child of mine, collect the income therefrom and pay all, none or such part of the net income and principal as my trustee may from time to time determine among the members living from time to time of a class composed of the issue of such deceased child and the spouses of such issue, in such amounts, shares and interests as my trustee may determine. When each of such deceased child's children living at the time of division into separate trusts shall have reached the age of 21 or died before reaching such age, all property then comprising such trust shall be paid to the then living issue of such deceased child or, if there shall be none, to my then living issue.

(c) Payment to Trusts. If under the foregoing provisions of this Article 4.05 final distribution of any share of any trust is to be made to a beneficiary for whom my Trustee holds a separate trust under such Article or to a beneficiary who is a member of a group for whom my Trustee holds a separate trust under such Article, such share shall be added to such beneficiary's separate trust or to the separate trust held for the group of which he is a member, for administration and distribution as a portion thereof.

(d) Failure of Remainder. If upon termination of a trust established under this Article 4 there shall be no person living and eligible to take under the provisions governing such trust, the entire trust property shall be distributed in the manner my residuary estate would have been distributed under Article 2.03 had I died immediately following the termination of such trust.

ROBERT S. BLASTOCK

(e) Perpetuities Saving Clause. Notwithstanding any other provision of this will, each trust established under this Article 4 shall terminate, if it has not previously terminated, 21 years after the death of the last survivor of the beneficiaries under this will who are living at the date of my death. Upon such termination, all property then comprising such trust shall be distributed by representation to those persons who, in the discretion of my trustee, are then eligible to receive distributions of income from such trust.

**ARTICLE 5: PROVISIONS RELATING TO DISTRIBUTION
OF TRUST ASSETS**

5.01 Distributions During Administration. During the period after my death and before establishment of any trust hereunder, my personal representative may, subject to the provisions of Article 6.02, distribute all, none or any part of the portion of the net income of my estate that would have been earned by such trust had it then been in existence, as determined by my personal representative, to and among those persons who would have been entitled to receive income from such trust had it then been in existence, and any powers herein granted to my trustee to allocate income and to invade principal shall be exercisable by my personal representative. Any undistributed income of my estate that is attributable to property belonging to The Marital Trust shall be paid as income to my trustee along with the principal of such trust and my trustee shall promptly pay such income to my spouse. Any undistributed income of my estate that is attributable to property belonging to any other trust established hereunder shall be distributed to my trustee as part of the principal of such trust.

5.02 Distribution or Continuation in Trust. Any assets or shares of any trust that by reason of a person's attained age or death or otherwise, would already have become distributable by my trustee if previously held in a trust hereunder, shall be distributed upon their receipt by my trustee, or, if they have become distributable during administration, may be distributed

ROBERT S. BLASTOCK

bank or trust company to act as his co-fiduciary for the sole purpose of exercising all rights, privileges and incidents of ownership pertaining to such insurance.

6.03 Remainder Interests. The provisions of this will that create remainder interests upon termination of preceding estates shall not limit or otherwise affect any discretionary power to distribute principal even though a discretionary distribution may have the effect of terminating the trust through exhaustion of the trust estate.

6.04 Discretion of Fiduciaries. Discretionary powers are exercisable in the discretion of my fiduciaries and no beneficiary shall have any right or power to enforce or object to the reasonable exercise of such powers.

ARTICLE 7: APPOINTMENT AND SUCCESSION OF FIDUCIARIES

7.01 Personal Representative.

(a) Designation. I nominate as my personal representative **GEORGIA L. BLASTOCK** of Filer, Idaho.

(b) Succession. In the event a vacancy exists, for any reason, in the office of personal representative, I nominate as substitute personal representatives, to act successively in the order named: **GEORGE G. BLASTOCK; ROBERT D. BLASTOCK;** or such person as may be designated by my spouse.

7.02 Trustee.

(a) Designation. I appoint as my trustee **GEORGIA L. BLASTOCK** of Filer, Idaho.

(b) Resignation. Any trustee of any trust created by this will may resign from office at any time by giving written notice delivered in person to or mailed to the last known address of any co-trustee and each beneficiary then receiving or who would then be eligible in the discretion of my trustee to receive the income of such trust, such resignation to be effective upon the acceptance of the trusteeship by a properly designated substitute trustee. Notice shall be effectively given in the case of a beneficiary who is under a legal disability if given to the parent,

ROBERT S. BLASTOCK

guardian or other person or institution having custody of such beneficiary.

(c) Succession. In the event a vacancy exists, for any reason, in the office of trustee, I appoint as substitute trustees, to act successively in the order named: **GEORGE G. BLASTOCK; ROBERT D. BLASTOCK**; or such person as may be designated by my spouse.

7.03 Powers of Substitute Fiduciaries. Every substitute fiduciary shall have all the title, rights, powers, privileges and duties herein conferred or imposed upon the original fiduciary without any act of conveyance or transfer. No substitute fiduciary shall be obligated to examine the accounts, records and acts of any previous fiduciary or any allocation of my estate or any trust estate, nor shall such substitute fiduciary be required to proceed against a previous fiduciary for any act or omission to act on the part of such previous fiduciary.

7.04 Ancillary Fiduciaries. If it shall be necessary for a representative of my estate to qualify as a fiduciary in any jurisdiction other than my domicile, I appoint as ancillary fiduciary in such jurisdiction such person, bank or trust corporation (including my domiciliary personal representative) as may be designated in writing by my domiciliary personal representative. Such ancillary fiduciary shall have in such other jurisdiction all the rights, powers, privileges and immunities conferred upon my fiduciaries under this will and under the laws of such other jurisdiction.

7.05 Bonds Waived. I direct that each fiduciary, including substitutes, shall be permitted to qualify without the necessity of giving a bond or other undertaking in this or any other jurisdiction for the faithful performance of such fiduciary's duties, or if any bond shall be required by law, statute or rule of court, without the necessity of sureties thereon.

ROBERT S. BLASTOCK

persons or to the institution or any combination of them then acting as my personal representatives or as trustees of any trust established hereunder.

11.07 Governing Law. The laws of Idaho shall govern all questions as to the validity and construction of this will.

11.08 Other Principles of Construction. Words in any gender shall be deemed to include the other genders; the singular shall be deemed to include the plural and vice versa; the word "give" shall also mean devise and bequeath but shall not mean appoint; the words "pay" and "distribute" shall also mean assign and convey; and the table of contents, headings and paragraph titles are for guidance only and shall have no significance in the interpretation of this will.

11.09 Character of Distribution. All distributions from any trust set forth herein, whether of income or principal, shall be the separate property of each individual distributee. Moreover, all income, including rents, issues, profits, gains and appreciation attributable to such designated property shall be each distributee's separate property.

IN WITNESS WHEREOF, I, **ROBERT S. BLASTOCK**, the Testator, sign my name to this instrument this 17 day of February, 1998, and being first duly sworn, do hereby declare to the undersigned authority that I sign and execute this instrument as my last will and that I sign it willingly, that I execute it as my free and voluntary act for the purposes therein expressed, and that I am 18 years of age or older, of sound mind, and under no constraint or undue influence.
